THE OLIVE KETTERING LIBRARY
ANNUAL REPORT 2015-2016

The Olive Kettering Library provides a firm foundation for development of a modern college library to support the mission of the new Antioch College. Students use the library to consult or check out an array of research materials; find a quiet corner to study; interact with faculty, staff, or other students; attend an instruction session; and enjoy the services of a robust online collection of resources made available through strong library consortium relationships.
